BEHS ARCHERY 2026/2027
PARENT/ARCHER AGREEMENT

1. Archers will be required to attend at least 2 practices per week. If this is an issue, see the coaching staff for possible arrangements.

2. Practice starts at 6:30 & 7:30. Archers are expected to be on time and help with range set up before we begin, and tear down when we are finished. We will stop early enough to allow for teardown and storage of the equipment.

3. Parents are to pick up archers promptly at 7:30 & 8:30, respectively, on practice nights. Archers will not be released until all equipment is put away.

4. BEHS grade policy will be strictly enforced. Grades will be pulled on Fridays. Any archer with 1 or more F's will be ineligible for practice and competitions from Friday to Friday the following week. If an archer appears on the ineligible list for 3 consecutive weeks, they will be dismissed from the team.

5. When the archer is at practice or a tournament, the BEHS coaching staff will coach the archers. We ask that there be no coaching from the stands. Also, we will not allow score "flashing" to parents and/or spectators during the tournaments.

6. Due to safety reasons, all practices will be closed to anyone not a member of the BE archery team or a BE coach. Parents/Guardians are not permitted in the building during practice.

7. All archers will be required to arrive at all tournaments a minimum of 30 minutes before their flight time. Less than that, we cannot guarantee the archer will be allowed to shoot. If an archer misses the flight, without communicating with a coach, the archer will not be allowed to shoot at the following tournament.

8. Red Team and Gold Team assignments are not permanent. The scores and attitudes will be evaluated before each tournament, and teams will be assigned. The lowest 4 scores on the Red Team will move to the Gold Team, with the top 4 archers on the Gold Team will be moved to the Red Team.

9. Cell phones WILL NOT be allowed at practice. We will start the season by letting the archers place the phone in their bow cases during practice. If this does not work, then we will collect the phones at the beginning of practice, and a member of the coaching staff will secure them until practice is over. If the archer needs to keep their phone for medical reasons, please let the coaching staff know, and they will be allowed to do so. If you need to get in contact with your archer, please reach out to a coach via Rooms.

10. Negative attitude, disruptive behavior, negative body language while shooting, disrespecting a coach/archer, or taking part in an unsafe manner will not be tolerated.

11. Appropriate dress and shoes are required at ALL practices and tournaments. If deemed inappropriate by coaches, you will be sent home.

12. Should an archer miss 3 practices without notice/written excuse, they will not be allowed to shoot at the next tournament. If an archer is benched twice, the 3rd will be a dismissal from the team. Communicate, Communicate, Communicate.

13. Any form of cheating will not be tolerated and will result in immediate dismissal from the team.

14. There will be a sign-in sheet for every practice, and the archer is responsible for signing in. If the archer forgets, they will be considered absent.

15. Any violation of these rules will result in disciplinary action. This action could include suspension and/or dismissal from the team.
